Dear Parents,

First and foremost, I want to thank you for your support during this difficult time. Many of you have expressed your concerns regarding your child's education during the closure. We have heard you! Within the last two days, our teachers have gone above and beyond to provide academic support for your child. If you have any problems and/or questions, please feel free to contact your child's teacher.

As of today, we plan to reopen on April 14<sup>th</sup>. If the state or federal government establishes any directives, I will let you know. Any news about COVID-19 will be posted on our home page. All activities and meetings scheduled between now and April 14<sup>th</sup> will be cancelled.

Our office will remain open for your needs. In the meantime, enjoy spending quality time with your children.

Take care,

Vicky
