Coronavirus

We have placed information from the public health department and other informational sources on the home page of our website. Our custodians continue to spend the majority of their time disinfecting classrooms and bathrooms, etc.

We will continue to pass along information to you as we receive it. If your child has a fever and/or respiratory infection symptoms, please do not send them to school. The health and safety of our students is of our utmost importance.

Lockdown Drills

On Wednesday, we practiced another lockdown drill. This drill was during our morning recess. Thank you for talking to your children about the importance of practicing for lockdowns. We will

Rebels Report

continue to practice throughout the year. We have asked the Sheriff's Department to come and access our procedures.

Minimum Days

On March 23rd and 24th, we will have minimum days for staff development. Teachers will be reviewing state-adopted science curriculum. We would like to formulate our decision this year, but want to review the curriculum carefully.

Smokey the Bear

By: Alyssa Heard, Samantha Bailey, and McKinley Satica

On Thursday, March 5th, Smokey the Bear visited our school. We talked about not playing with matches and lighters. We talked about how to have a safe campfire. We talked about how to be safe when there is a fire. Cal Fire and the Forest Department taught us how to STOP, DROP and ROLL. This is a safe way to put out fire on your clothes. We played blackout BINGO to review what we just learned. At the end we all took a picture and gave Smokey a high-five. We are thankful for the fire department for teaching us how to stay safe from fires.

Susanville Rotary Visit

By Alyson Crosby and Jude Gard

During the Rotary visit, two ladies came into our class and taught us about what Rotary is. They then read us two books: Pigsty and Green Eggs and Ham. In Pigsty, we learned to always listen to our moms and clean our rooms. Green Eggs and Ham taught us to always try new things. At the end, they gave all of us a new book!

Smokey the Bear

By Addison Horne and Wyatt Cook

Smokey the Bear came and visited our whole school. He came with his friends from the U.S. Forest Service and Cal Fire. They taught us about the importance of fire safety, like never playing with matches and never leaving a campfire alone. We then played the fire safety game that

was like BINGO, but we called it BLACKOUT. We all won! After that, Smokey the Bear came out, and we taught him how to Stop-Drop-Roll. Since we did so good, Smokey gave us pencils, erasers, a bookmark, and an activity book.

Rotary Reads

By: Parker Langslet & Gaven Mueller

On Dr. Seuss day three rotary members came in, told us what they do as Rotary members, and read us three books. One of the books they read was Scary Stories to Tell in the Dark. The other stories that the members read to us were Green Eggs and Ham, and Fox in Socks. They also gave us books for us to read. So, we are going to give a big thank you in this article. We say thank you from the whole class.

Dr. Seuss/PJ Day

By: Nora Shepherd & Isabella Silvera

On March 2nd, kindergarten, first, second, and third grade celebrated Dr. Seuss day. We wore our pajamas. After lunch, we went in the multi with our blankets, pillows, and stuffed animals to read Dr. Seuss books. After we read our books, we ate delicious treats made by Mrs. Phillips and Miss Phillips. The treat was a Rice Krispy treat. It was sooooo good. We can't wait until next year!

Kindergarten, First & Second Grade

Parents: We are requesting that you please drop off your child for school, but not linger in the cafeteria. Thank you for assisting us.

7th Grade Volleyball

By: Brooklyn Glover & Madison Weatherford

So far volleyball has been going great! On March 6, we had a tournament in Westwood. In the end, we tied for third place with the Westwood team. Practices have been going good lately. We are learning new things every day. We have definitely improved from our first game to our most recent game. The girls on the team are, Brooklyn Glover,

Ashlee Albonico, Madison Boyer, Madison Weatherford, Reagan Weatherford, Ava Mena, Trinity Wheeler, Phoebe McFarland, and Neveah Moncada. Let's go Rebels!

7th Grade Dinner

By: Alex Shaw and Carson Hayden

For this year's 7th grade dinner, we served pulled pork sandwiches, baked beans and coleslaw. We sold close to 400 tickets. We are thankful for all of the local businesses who donated. The STEAM tinkering lab and 6th grade bake sale were also a success. We want to give a huge thanks to all of the parents and students who helped out.

Thank you for the donations!!

8th Grade Volleyball

By: Hannah Matchniff

The 8th Grade Volleyball Team has played 9 games since Monday, March 2. We played 4 games in the Westwood tournament on Saturday, March 7. In that tournament we got third place. The teams that we have played are Westwood, South County, Shaffer, Diamond View, Johnstonville, and Janesville. We have lost some games, but with each game and practice we are getting better. Some people on our team are even spiking and tipping it. Overall, it has been a great season, and there is still more to come.
