

Richmond Elementary School  
Parent and Community Communication

School Closure: Friday, September 11, 2020

Dear Richmond Families and Community,

The air quality is currently categorized as hazardous in our area and is expected to remain unchanged throughout the day Friday, September 11, 2020.

Lassen County Public Health, in coordination with Lassen County Office of Education, has recommended that Richmond Elementary close to all students Friday, September 11, 2020 because of the hazardous air quality.

Therefore, in order to maintain the health and wellness of our students, Richmond Elementary will be closed to students all day, Friday, September 11, 2020.

The Richmond campus will remain open to employees.

We look forward to seeing our students again on Monday, September 14, 2020.

Thank you, Richmond.
