

# HOORAY!!

---

\_\_\_\_\_ has been selected as our  
**SUPER SECOND GRADER**  
for the week of: \_\_\_\_\_

## MONDAY: Super Second Grader Poster

Your child will be bringing a small poster home to complete. Please help your child to answer all the questions and draw a self-portrait of himself or herself. You are also encouraged to send in some pictures to complete the bulletin board.

## TUESDAY: Lunch Buddies

If possible, join your child in the cafeteria for a special lunch on this day. You may also choose to invite a sibling or a favorite relative to be your child's lunch buddy. You can have the buddy be a surprise or let your child know ahead of time. If someone is unable to make it during our lunch period (11:50-12:30), please let me know, and I will plan a special lunch for him or her.

## WEDNESDAY: My Mystery Box

Your child will be coming home with the mystery box and a clue sheet. Please help your child choose a special object they would like to share and write 5 clues to describe the object. The class will then get to guess what it is!

## THURSDAY: My Favorite Picture Book

Your child may bring in his or her favorite picture book to read to the whole class during carpet time.

## FRIDAY: Super Shout Outs

Your child's classmates will each write a "Super Shout Out" about him or her. This may be a positive comment about the student that they see inside or outside of the classroom. On Friday, we will read through the shout outs and celebrate your child!
