- A high-standard, quality education
- Strong community connections
- A strong foundation
- Preparation for success in academics, athletics, the arts, technology, and citizenship
- Enrichment, excitement, and desire for lifelong learning.

## School Profile

Located in rural, northeastern California, Richmond Elementary School is the oldest and longest continuously operated school in Lassen County. In 2014, Richmond celebrated its 150<sup>th</sup> anniversary. Serving a population of approximately 200 students, Richmond provides an enriching, yet standards-based curriculum for all students in grades kindergarten through eighth grade.

### **Learning Climate**

Teachers and support staff are committed to positive discipline plans with clearly stated rules and consequences. Students are expected to attend school promptly and regularly to achieve optimum academic growth and a sense of responsibility. School personnel endeavor to work proactively with students to prevent problems from arising. A major strength is the location and condition of the physical site. The campus is well maintained, with a gym and auditorium available for student events. A multipurpose room is available for smaller gatherings and for lunch. Additional facilities include a library, dedicated computer lab, soccer field, 200m track, cross country course, and basketball courts.

During the Fall of 2021, Richmond Elementary students, staff, and parents participated in California's Healthy Kids Survey (CHKS). Those results are included below for review:

During the 2020-21 school year, 21 out of 22 staff members took the online School Climate Survey. 71% of those taking the survey strongly agreed that Richmond School is a supportive and inviting place for staff to work. 78% of staff members felt that Richmond School is supportive and inviting place for students to learn and promotes academic success for all students. 100% of the staff strongly agree or agree that Richmond is a safe place.

Participation in the CHKS for Fall 2021 school included; 19 (66%) of the fifth-grade students, 13 (76%) of the seventh-grade students, and 15 (63%) of the eighth-grade students participated in the CHKS. The fifth graders took the elementary survey, while the seventh and eighth graders took the middle school survey. Sixth graders did not complete the CHKS due to teacher and student quarantines and parents not giving permission for students to participate in the survey.

Elementary Survey Results: An average of 77% of our 5<sup>th</sup> grade students feel like they have a strong connection to school, and 91% feel like they are academically motivated. 89% of these students feel very safe at this school. In addition, 68% of the students said that they are treated with respect.

Middle School Survey Results: An average of 78% of 7<sup>th</sup> and 89% of 8<sup>th</sup> grade students feel like they have a strong connection to school, and 81% and 85% respectively feel like they are academically motivated. 85% of 7<sup>th</sup> and ninety-three percent of 8<sup>th</sup> grade students feel very safe at this school. Regarding being harassed or bullied in the month leading up to the survey, 23% of 7<sup>th</sup> and 7% of 8<sup>th</sup> grade students indicated they had such experiences.

The California Healthy Kids Survey asked all parents from our school to participate in a School Climate Survey. Twenty-six of our parents responded. 92% of these parents either agree or strongly agree that this school encourages me to be an active partner in educating my child, and 92% of the parents feel that Richmond School is a safe place for students. 92% of parents say that teachers communicate with parents about what students are expected to learn in class, and 96% of the parents say that the school provides high quality instruction.

BP 5141.4(a)

### **CHILD ABUSE PREVENTION AND REPORTING**

#### **Child Abuse Prevention**

The Board of Trustees recognizes the district's responsibility to educate students about the dangers of child abuse so that they will acquire the skills and techniques needed to identify unsafe situations and to react appropriately and promptly.

The district's instructional program shall include age-appropriate and culturally sensitive child abuse prevention curriculum. This curriculum shall explain students' right to live free of abuse, inform them of available support resources, and teach them how to obtain help and disclose incidents of abuse. The curriculum also shall include training in self-protection techniques.

*(cf. 6143 - Courses of Study)*

The Superintendent/Principal or designee shall seek to incorporate community resources into the district's child abuse prevention programs. To the extent feasible, the Superintendent/Principal or designee shall use these community resources to provide parents/guardians with instruction in parenting skills and child abuse prevention.

*(cf. 1020 - Youth Services)*

#### **Child Abuse Reporting**

The Board recognizes that child abuse has severe consequences and that the district has a responsibility to protect students by facilitating the prompt reporting of known and suspected incidents of child abuse. The Superintendent/Principal or designee shall establish procedures for the identification and reporting of such incidents in accordance with law.

*(cf. 0450 - Comprehensive Safety Plan)*

Employees who are mandated reporters, as defined by law and administrative regulation, are obligated to report all known or suspected incidents of child abuse and neglect. Mandated reporters shall not investigate any suspected incidents but rather shall cooperate with agencies responsible for investigating and prosecuting cases of child abuse and neglect.

The Superintendent/Principal or designee shall provide training regarding the reporting duties of mandated reporters.

In the event that training is not provided to mandated reporters, the Superintendent/Principal or designee shall report to the California Department of Education the reasons that such training is not provided. (Penal Code 11165.7)

The Superintendent/Principal or designee also shall notify all employees that:

1. A mandated reporter who reports a known or suspected instance of child abuse or neglect shall not be held civilly or criminally liable for making a report and this immunity shall apply even if the mandated reporter acquired the knowledge or reasonable suspicion of child abuse or neglect outside of his/her professional capacity or outside the scope of his/her employment. Any other person making a report shall not incur civil or criminal liability unless it can be proven that he/she knowingly made a false report or made a report with reckless disregard of the truth or falsity of the report. (Penal Code 11172)
2. If a mandated reporter fails to report an incident of known or reasonably suspected child abuse or neglect, he/she may be guilty of a crime punishable by a fine and/or imprisonment. (Penal Code 11166)
3. No employee shall be subject to any sanction by the district for making a report. (Penal Code 11166)

## C. Emergency Response Procedures

### Media

All media must be referred to the administration and the media contact person (Michael Cosgove). Do not give interviews under any circumstances unless requested by an administrator.

### Emergency Response Team

In cases of a serious, widespread (e.g.-shooter on campus) situation, the Sheriff's Dept. will be activated. Team members have been given specific training in responding to an emergency situation. Please help the team as needed.

#### WHEN AND HOW TO CALL 911

Call **911** anytime you feel there is a critical issue and delay may cause unnecessary harm to students or staff. Examples include:

a severely bleeding injury

an unconscious person

a non-breathing person

a person in convulsions

an armed person/riot/civil disorder

Yell for help or send someone to get help or call 911

If possible and safe, stay with the injured/incapacitated individual(s)

If you need to call, remember the following guidelines.

Stay calm.

State your emergency.

Give your name and address. Be specific about building and room number.

Allow communications center (911) employee to direct conversation.

Be prepared to answer questions in a clear, calm manner.

Remain on the telephone. DO NOT hang up until the dispatcher says that you may do so.

After the call, contact an administrator and inform them that you have called 911 for emergency assistance.

### **CONTAINING STUDENT/STAFF SCHOOL LOCKDOWN**

**An announcement over the P.A. System will be made, "All Students and Staff Go into Lock-Down!"**

Teachers should lock doors, close drapes/window blinds, and turn off lights. Keep students quiet and away from windows and doors. Wait for instructions and stay off the phones. Keep students away from windows and in maximum shelter until the all clear signal is given.

We will be implementing the ALICE method- barricading the door and attacking the intruder.

ALICE stands for Alert, Lockdown, Inform, Counter, Evacuate

Teachers on prep or lunch should go to the nearest room. During lunch, students will run and hide.

**All Clear Signal: An announcement will be made that the campus is clear over the intercom system. This is for a drill only. The sheriff's office MUST be contacted for anything other than a drill. At that time, they are the only ones that can determine if a lockdown is clear.**

This indicates that the danger situation is under control and you can return to normal patterns.

### **STUDENT ACCOUNTABILITY PLAN**

In the event of an emergency where students are evacuated from the classrooms or in a *TAKE COVER* mode, and there have been injuries, the following procedures will be initiated:

**NOTE: The student accountability procedure will be initiated only when the emergency is over and the campus is safe.**

Each teacher will fill out an "Individual Room Survey" (Sample on following page). It is recommended that Elementary Schools place an "Individual Room Survey" inside the teacher's roll book. Teachers are required to take their roll book with them in any situation requiring evacuation.

The Administrative Team will pick up the "Individual Room Surveys" from the teachers or other support staff with identified groups.

The Administrative Team will deliver the surveys to the Sheriff's Dept. The Sheriff's Dept. will then inform administration of the situation and take whatever steps are necessary.

**\*\*\*A Student Accountability Plan SHOULD be attached or incorporated into every procedure where the possibility of an off campus evacuation or alternative dismissal method may be the next required or recommended step.**

## E. Procedures for Notifying Teachers of Dangerous Pupils

The Richmond Elementary School District will obtain information on each pupil who has: (1) during the previous three school years, engaged in any suspendable or expellable act. This information is used to develop awareness, assign appropriate disciplinary consequences, assist in allocating resources, and is a factor in determining which services are provided to the pupil or recommended to the parent/guardian.

In order to fulfill the requirements made by Education Code 49079 and Welfare and Institutions Code 827 that states teachers must be notified of the reason(s) a student has been suspended. When a student is suspended, the superintendent/principal will provide the student's teacher(s) with a suspension letter. The information provided is for the student's current teacher(s) only. All information regarding suspension and expulsion is **CONFIDENTIAL**, and is not to be shared with any student(s) or parent(s). Teachers are asked to secure the form so students and others may not view it.

Pursuant to Welfare & Institution Code 827(b) and Education Code 48267, the Court will notify the Superintendent/Principal of the Richmond Elementary District regarding students who have engaged in certain criminal conduct. The Superintendent/Principal is responsible for prompt notification of the student's teachers. Per Education Code 49079, this information must be kept confidential.

- Detention is served in the Resource Room during lunchtime.
- Detention first, lunch last.
- Work is expected and is graded.
- Miss one, serve two.
- 6<sup>th</sup>-8<sup>th</sup> Grade-3 detentions = 1 demerit
- 3<sup>rd</sup> -5<sup>th</sup> Grade-5 detentions = 1 demerit

Students that have NO detentions all year will be invited to the detention-free BBQ at the end of the year. Students that have no detentions for each of the trimesters will be provided with a special treat as determined by their teacher to reward their good behavior.

In third-eighth grades, Richmond uses a school-wide discipline system using demerits. Demerits can lead to lunch time detention, a parent conference (which will include the principal, teacher, parent, and student) and/or a loss of eligibility. A loss of eligibility refers to sporting events, dances, and/or field trips. Rules and consequences are reviewed with the students during the first week of school. A third demerit will result in Refocus Corner.

Each classroom will also have a classroom discipline plan. This plan will be sent home to parents at the beginning of the year. It may include time outs, loss of recess, office referrals, and lunch time and/or after school detention (with your child's teacher) if necessary.

#### **Demerits 3<sup>rd</sup> – 8<sup>th</sup>**

2 <sup>nd</sup> Demerit*	Parent Contact Parent Conference
3 <sup>rd</sup> Demerit*	Parent Contact Refocus Corner Ineligibility

\*Fighting, destroying property, stealing, bullying/threatening others, and displaying out of control behavior can lead to automatic removal, suspension, and/or expulsion.

#### **On Campus Suspension**

On Campus Suspension is served in the library and lasts all day. Students must report to the library as soon as they are on campus. Breaks will be given, but no recess time will be allowed. Lunch will be eaten in the library. Dismissal will be after other students are off campus.

#### **Grounds for Suspension/Expulsion-California Education Code Section 48900**

Richmond Elementary School District  
700-585 Richmond Road, East  
Susanville, CA 96130

Dear Mike and Members of the Board:

In accordance with Education Code Section 42131, the Lassen County Office of Education (LCOE) has reviewed the First Interim Report of the Richmond Elementary School District (RES D) for fiscal year 2021-22. The Education Code requires the County Superintendent to either approve or disapprove the certification for each school district after completing the following:

1. Examine the First Interim Report and determine whether it complies with the standards and criteria established by the state;
2. Identify any technical corrections needed to bring the budget into compliance with the standards and criteria established by the state;
3. Determine whether the projected budget will allow the district to meet its financial obligations during the fiscal year and is consistent with a financial plan that will enable the district to satisfy its multi-year financial commitments.

**CERTIFICATION** - The RESD has submitted a positive certification for the First Interim Report, which complies in all material aspects with the State-Adopted Criteria and Standards for districts of Richmond's size. The report was based on the adopted State budget and information known as of October 31, 2021.

**ENROLLMENT** - The District's ADA is projected to remain steady.

2020-21 P-2 ADA	206.73 ( <i>hold harmless</i> )
2021-22 Estimated ADA	206.73
2022-23 Estimated ADA	206.73
2023-24 Estimated ADA	206.73

**UNRESTRICTED DEFICIT SPENDING** - The District plans to deficit spend in the current year but not in the two subsequent years. Below are the increases in fund balance for all three years.

2021-22	(\$8,483)
2022-23	\$0
2023-24	\$0

**ENDING BALANCE** – The RESD is able to meet the minimum State-recommended reserve in the current and two subsequent fiscal years. Here are the projected total unrestricted, restricted, and designated reserves currently projected:

June 30, 2022	\$1,815,333
June 30, 2023	\$1,815,333
June 30, 2024	\$1,815,333

**CASH FLOW** - The District is projecting positive cash flow each month through June 30, 2022. The June cash is expected to be \$1,819,705.

**COLLECTIVE BARGAINING** - According to information provided, labor contracts have been settled. Please keep in mind that, before the District's Board takes any action on a proposed collective bargaining agreement, the District must meet the public disclosure required of Government Code and Title V. The document used for this analysis is referred to as "AB 1200 Public Disclosure of Proposed Collective Bargaining Agreement." This document must be sent to the LCOE ten working days prior to Board approval. We request this information be provided for any settlement regardless of estimated cost or savings.

**SUBMISSION OF STUDIES, REPORTS, EVALUATIONS, AND/OR AUDITS** - The Education Code requires districts to submit to the LCOE any studies, reports, evaluations, or audits done of the District that contain evidence that the District is showing fiscal distress. The LCOE is required to incorporate this information into our analysis of budgets, interim reports, and the District's overall financial condition.

**OTHER ISSUES** - The LCOE continues to recommend that districts review all proposed expenditures and carefully review staffing needs. ADA adjustments and fluctuations need to be reviewed carefully to accurately project funding.

and  
Members of the Board of Trustees

Patricia A. Gunderson
